ABOUT HOI BUSINESS SOLUTIONS

Expert HR Support,

Without the Overhead

HOI Business Solutions was founded to give small and growing businesses access to professional HR, recruitment and administrative support — without the cost of hiring full-time staff.

Based in London and serving businesses remotely across the UK, we bring genuine expertise backed by a Master's in Human Resource Management, hands-on recruitment experience, and a strong background in business management and administration.

WHY CHOOSE US

The *HOI* Difference

We are not a large faceless agency. We are a dedicated consultancy that treats every client's business as if it were our own.

O1 Qualified & Experienced

Master's level HR qualification combined with real-world recruitment, business management and administration experience.

O2 Affordable for Small Businesses

Get the expertise of a senior HR professional at a fraction of the cost of hiring in-house. Flexible packages to suit your budget.

O3 100% Remote & Flexible

We work around your schedule. No office visits needed — everything handled professionally and efficiently online.

O4 Dedicated Personal Service

You speak directly with your consultant — not a call centre. We build long-term relationships with every client we work with.
